## 10 FAST FACTS ABOUT ASGE

- Founded in 1941, the American Society for Gastrointestinal Endoscopy (ASGE) has more than 14,000 members worldwide.
- ASGE is the world leader in endoscopic procedural hands-on training. In 2013, the Society opened the Institute for Training and Technology (IT&T) to provide top-quality education and training in an interactive, technologically advanced environment.
- ASGE conducts more than 20 educational courses annually, and co-hosts Digestive Disease Week® (DDW), the premier international conference devoted to the science and practice of gastroenterology and hepatology.
- 4 Assessment-based certificate programs and trainings customized for clinicians and industry professionals are examples of ASGE products and programs that further proficiency in patient care.
- ASGE provides practical solutions through education, products and resources in GI Practice Management for the entire GI team.
- 6 Physician work groups develop clinical and practice guidelines and technical reviews to assess and guide the practice of gastrointestinal endoscopy and keep members abreast of technology.
- 7 Publications include:
  - GIE: Gastrointestinal Endoscopy ASGE's monthly, peer-reviewed scientific journal
  - *VideoGIE* the monthly online-only, Open Access journal publishing original, peer-reviewed video case reports and case series
  - ASGE Connection the quarterly magazine featuring news, clinical content, practice management updates and public outreach resources
  - SCOPE the weekly e-newsletter
- 8 ASGE research awards lead to the development of new techniques, technologies and pharmacology that make endoscopy safer, more comfortable and more effective for the diagnosis and treatment of digestive disease.
- 9 ASGE publishes patient education brochures, with 18 titles in English and Spanish, as well as a patient website, Screen4ColonCancer.org.
- 10 The ASGE Foundation is the philanthropic arm of ASGE, providing financial support for ASGE's education, practice improvement, research and public outreach initiatives.
