

EDUCATION

Your donations supported a wealth of resources to enhance professional development for every career stage.

First-Year Fellows Course

Over 600 first-year fellows took part in hands-on simulation training courses hosted at the ITT Center.

ASGE/JGES ESD Course

The December ASGE/JGES ESD course was a sold-out success! Thank you to our generous donors and the esteemed JGES faculty for their invaluable contributions.

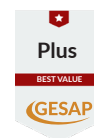

GESAP

With funding from the ASGE Foundation Beyond Our Walls Campaign, ASGE recently developed new GESAP models for diverse purposes.

GESAP Standard includes lifetime access with **538** questions and **95 CME/MOC credits**.

GESAP Plus is an annual subscription, updated every year with **274** questions and **54 CME/MOC credits**.

GESAP Mentor is designed for training directors to track fellow performance and integrate GESAP into fellowship programs.

GESAP Alliance is for large groups and institutions, offering scalable pricing and resources.

LEAD Program

ASGE recently celebrated its 10th LEAD Program class, bringing together 19 talented female gastroenterologists from across the nation. With over **200 women** having participated in the program to date, LEAD exemplifies the outstanding opportunities ASGE provides—made possible through the generous support of our Foundation donors.

ASGE OUTSTANDING MANUSCRIPT AWARD

With the generous support of our donors, we are proud to honor these two trainees for their exceptional manuscripts.

Outstanding Manuscript Award

Tippei Masunaga, MD

“Modified double layered suturing for a mucosal defect after colorectal endoscopic submucosal dissection (Origami method) (with video)”

VideoGIE Outstanding Manuscript Award

Natalie Wilson, MD

“Use of the endoscopic powered resection device for the management of scarred polyps”

PUBLIC OUTREACH

Your donations helped ASGE educate patients and the public about the important role of endoscopy in treating and preventing GI diseases.

To recognize National Colorectal Cancer Awareness Month in 2024, the ASGE Value of Colonoscopy Task Force released a video featuring 11 gastroenterologists speaking in 11 languages urging patients to begin screening at 45 years old and to choose the optimal screening test. The accompanying awareness campaign resulted in millions of impressions across social media channels.

CRYSTAL AWARDS

ASGE honored several outstanding gastroenterologists who have contributed to the advancement of GI endoscopy during the Crystal Awards event on May 19, at the Watergate Hotel in Washington, D.C.

Dr. Martin Freeman is presented with the Rudolf Schindler Award by ASGE President, Dr. Jennifer Christie.
